Toronto York-Spadina Subway Extension

*Impact on York University*

Senior Administrators Group Exchange
February 10, 2017
Subway opens late 2017 - $3.2 billion cost

150,000 additional people over 30 years

Subway Creates Growth Corridor Through Keele Campus
Projected Ridership at York University Station

Ridership at the new York University Station will be comparable to the Queen, Spadina, St Andrew, and Kipling stations.

Only 13 of the 74 current subway stations have higher ridership than what is projected for the York University Station.
